## Participant's Guide

Week of June 4

### The Big Idea

God bless us, so that others may be drawn to you and be saved!

---

### Getting Started

1. Is it okay to pray for success and wealth?
2. Is it ever not okay to? Under what circumstances?

---

### Digging In

1. **Read Psalm 67 at least three times.** Seriously. Out loud. In your head. Spend some time quietly reflecting on the Psalm.
  2. If God chooses to bless us, why does he bless us?
  3. What should our response to God's blessing be?
- 

### Looking Around

1. Name some ways you have been blessed. Try to think outside the box of what you might usually list.
  2. How can you bless others given what you've said above? Again – think outside the box of what you usually might say. How can you bless other Christians? How can you bless non-Christians in a way that makes God known among all people?
- 

### Pray

Pray that God will bless you, and give you the courage and Spirit to share that blessing with others that he might be known and all might be saved.
