## Participant's Guide

Week of September 3

### Getting Started

1. What would you say is the “one thing” you have a passion for?
2. What is the evidence of that in your life? In other words, how could people tell that you are passionate for that thing?

### Digging In

1. **Read Acts 18:1-3.** How does God use Priscilla and Aquila in Paul's life?

2. **Read Acts 18:4-8.** How do people react to Paul's message?
3. **Read Acts 18:9-16.** Look especially at the words of Jesus (9-10). What four thoughts does he bring to Paul as an encouragement?

---

### Looking Around

1. What ministry do you have? Think outside the typical “ministry categories.” You could have a ministry to neighbors, co-workers, family, etc. Think especially of non-Christians in your life.
2. Do you ever feel discouraged in this ministry? What encouragement do you need to keep going and becoming more involved?
3. Who in your life can give you encouragement, and maybe accountability, to keep pursuing your ministry despite hardship. \*Hint, they might be in the room with you right now.

### Pray

Pray for the start of this Life Group season. Ask the Lord that he would bless your Life Group and instruct you how to be good encouragers to one another despite whatever
