Women in the Word

The foundation of Women's Ministries is study, discussion and application of God's Word. We have two studies to choose from. All of our studies break into small groups because we highly value the relational connection. We do not study for information, but for transformation which takes place within a group of caring friends. God's Word applied happens within our stories, struggles, and fears. How do we know that inner transformation is taking place? We are responding more like Jesus would respond!

The two *Women in the Word* studies available are:

Colossians (*Kathy Miedema and Ann Olson*)

Genesis in "The Patriarchs" by Beth Moore (*Sharon Johnson and Karen Fitzpatrick*)

Moms Together in the Word

Moms Together in the Word is a community of moms of young children who come together for encouragement and refreshment. Your children will be well cared for, and you get to enjoy the respite of focused adult communication and inspiration. Studies this year include Philippians, Ruth, James, Esther, and Colossians. Participants may choose to do all the topics or the particular ones which fit their schedule. Visit sgc.org/moms-together for the schedule.

(*Claire Knapp and Lenora Hanson*)

*Registration is needed only for those who will be bringing small children with them.

We will begin with a kick-off brunch September 6.

We will join Beth Moore on an exciting and intimate journey to know King David, the man after God's own heart. We have one week of video and one week of discussion.
