Participant's Guide

Week of September 10

Getting Started

1. Have you ever been a part of a “movement?”
What was it like?
 2. In what ways is Southern Gables a movement? In what ways is it not?
-

Digging In

1. **Read Acts 18:22-23.** What does Paul's ministry look like here?

2. **Read Acts 18:24-28.** What did Priscilla and Aquila explain to Apollos? How did they explain it? What were the results?
 3. **Read Acts 19:1-7.** From this text, what is the essential key to fruitful ministry, no matter what your “disciple-making strategy” is?
 4. **Read Acts 19:8-10.** What do we see about Paul's character from this text?
 5. **Read Acts 19:11-20.** What mistake were these Jewish exorcists making?
-

Looking Around

1. How can Southern Gables emulate some of what the early movement in Acts was like?
 2. What can you do to help Southern Gables be more like a movement?
-

Pray

Pray that the Lord would instruct your Life Group, and Southern Gables Church, in these disciple-making

Fall 2017

principles so that the movement can spread and many enter the Kingdom of God!
