Solus Christus

The Big Idea

Solus Christus – Salvation comes from Christ alone through faith alone by grace alone!

Getting Started

1. What was your first encounter with Jesus like?
 2. How do you relate to Jesus today? What do you do or not do to keep that relationship alive?
-

Digging In

1. Read **1 Timothy 2:5**. In what sense is Christ a mediator? How?
 2. Read **Acts 4:12**. What does this say about where salvation comes from?
***Leader's Note:** Christ alone! This verse shows the priority, exclusivity, and necessity of salvation.
 3. Read **Ephesians 2:8-10**. What are you saved from? What are you saved for?
-

Looking Around

1. Are you living your life with a Jesus+ mentality? i.e. Do you trust in other things besides Jesus alone for your satisfaction and fulfillment? What are those things?
2. Who in your life is looking to other things besides Jesus for salvation? How could you communicate the truth of Jesus to them?

Fall 2017

Pray

Thank Jesus for mediating between you and God.
