

## Participant's Guide

Week of November 5

Sola Fide

### Getting Started

1. Is God a source of joy for you or a source of anxiety? How and/or why?
  2. What difference has faith made in your life? What about the lives of those around you?
- 

### Digging In

1. **Read Romans 1:17 & Romans 4:5.** What is righteousness? Can we "get" it? How?
  2. **Read Romans 5:1 & James 2:24.** If works are not part of the equation, why worry about living a good life, a moral life, an ethical life? Is James contradicting Paul?
- 

### Looking Around

1. Do you think your works will save you? Do you live like your works will save you?
2. Do you have genuine faith in Jesus?
3. What works in your life do you think are evidence that you do have faith in Jesus? (Be careful not to brag here about the good things you do; but be humble and honest about how your life is different because of the faith you have in Jesus – perhaps you are doing things that someone who doesn't know Jesus would ever dream of doing – let that be an encouragement to the other people in your Life Group).

## Pray

Praise God for his incredible grace! Thank him for being the good God who is worthy of having faith in! If you don't have real faith in who Jesus is, take the opportunity to trust him and improve your life forever!
