

Participant's Guide

Week of March 11

Getting Started

1. What is a situation that you needed support from others? How did others support you?
2. What is a situation where you supported another person or group of people? What did you feel and think when you were in that situation?
3. Analyze the often-said quote: "God will never give you more than you can handle." Is that true in the

Bible? Is that true in your own life?

Digging In

1. Read **Exodus 17:8-11**. Establish the background: Who are the key players here? Who are Moses, Aaron, Joshua, and Hur? Don't worry if you don't know who Hur is - he's barely mentioned in the Bible. What are they trying to accomplish? How are they going to accomplish it?
2. Read **Exodus 17:12-13**. What issue does Moses run into and what is the solution? The circumstances of this battle are clearly miraculous. God didn't have to work in this way, why did he choose to? What was he trying to teach Moses and his companions?
3. Read **Exodus 17:14-16**. Look specifically at **verse 15**. What is Moses' response? How have you responded to victories in your life?

Looking Around

1. What situation are you in right now that you need support?
2. Are there any people in your life, Christian or non-Christian that could use your support?

Spring 2018
